

## **The Climax Now Clearly in View: Hallelujah, Our "Blessed Hope" Comes!; Rev. 19:11-21**

Now comes the passage that the entire Book of Revelation has anticipated and anxiously awaited: The Return of Jesus, our Blessed Savior, in Power and great Glory!

In the Bible there are many references and descriptions of history's most *visibly* glorious event, but none are as vivid and full as Christ's coming pictured in Revelation 19:11-21:

- A.** Christ's APPEARANCE (i.e., His physical traits, or appearance; vv. 11-12) -
  
- B.** His NAMES (4 of them; vv. 11-13,16) -
  - 
  - 
  - 
  -
  
- C.** His ARMIES (2 will accompany Him; v. 14) -
  
- D.** His RETURN (His work when He Comes! vv. 11, 15, 17-18) -
  
- E.** His Glorious TRIUMPH (vv. 19-21) -
