

XYZ CIRCLE NEIGHBORS . . .

Please consider joining together for a neighborhood time of prayer. God promises that He will honor the prayers of those who sincerely call upon His name (Psalm 145:18). During this occasion of national celebration – the 4th of July – it is a most appropriate time to pray for the many needs of our nation: for its people, its leadership and for its divine protection.

“IF MY PEOPLE WHO ARE CALLED BY MY NAME WILL HUMBLE THEMSELVES, AND PRAY AND SEEK MY FACE AND TURN FROM THEIR WICKED WAYS, THEN I WILL HEAR IN HEAVEN AND WILL FORGIVE THEIR SIN AND HEAL THEIR LAND.” (2 Chronicles 7:14)

We all love America. We sincerely thank God for our great country. Indeed, we want future generations to enjoy the wonderful benefits and blessings that we have enjoyed. Yet for most of us there are growing concerns; so, what can we do that will help? Well, one critically important thing is to pray; one thing that everyone is able to do is to pray for our nation. God still answers prayer; and thankfully, we are still “one nation under God” and own a motto that wisely declares, “In God we trust.”

Please join with us for a brief time to unite our hearts in prayer to God for our beloved country.
