

Psalm 46:1-11

If you are ever in need of a Psalm to reassure you and lift your spirits in troubling times, this would be a good one to turn to.

Verses 4 & 5 of the Psalm gives us the foundation for this confidence when they reference the river with streams of water that "**make glad the city of God.**" One can't help but remember the river of water that the apostle John saw in Revelation 22:1 where the Bible says, "**Then the angel showed me the river of the water of life, bright as crystal, flowing from the throne of God and of the Lamb.**"

One thing is certain, if we are residents of the city of God, there is no need for us to fear though the people rage and everything seems to be on the verge of chaos.
